

Bachelor of Arts in Music

A Bachelor of Arts in Music degree is a comprehensive liberal arts degree with a strong concentration in music and an emphasis on academic coursework. Students completing this degree may pursue careers in music or in other fields. They would also be well prepared for graduate study.

Bachelor of Arts in Music coursework gives students a strong background in music in addition to university core and liberal arts requirements. Coursework includes applied lessons, music theory, music history and upper-level electives. Students gain performance experience in marching band, wind ensemble, jazz band, orchestra, choir and opera, in addition to small ensemble and solo performance opportunities.

Admission Requirements

To pursue a Bachelor of Arts in Music, students must:

- Apply and be admitted to the University of Houston as a freshman or undergraduate transfer student. International students must have a minimum score of 550 on the paper-based TOEFL or 79 on the internet-based TOEFL.
- Apply separately to the Moores School of Music and complete a successful audition. The music school application is available at www.music.uh.edu. Please note that music school application deadlines may differ from those of the university.
