

Bachelor of Arts in Music 07-09

Co-enrollment in applied music and ensemble is required even after degree requirements are satisfied.

Recital Attendance: Applied Music majors should attend at least 12 recitals each semester in residence, up to a total of 96 recitals. Students must attend at least 4 Tuesday recitals and 8 Tuesday OR other MSM recitals/concerts each semester to meet attendance requirements. Students who are deficient in recital attendance may not schedule a degree-required recital or qualify for graduation.

Bachelor of Arts students are only required to take a 2-credit, half-hour lesson each semester, but may elect to take a full-hour, 3- or 4-credit lesson each semester if they wish to do so. Choosing full-hour lessons, however, will result in the need for additional summer coursework and/or delayed graduation. Please see an advisor for more information.

All UH degrees require at least 120 earned credits, 36 of which must be advanced. The last 30 credits of any UH degree must be completed at UH.

Music courses should be taken in the order shown, with deviations only as approved by an advisor.

ENGL 1303/1304 and MATH 1310 should be completed in the first year. All other core courses may be taken in any order as long as all pre-requisites are met; this plan is only a suggested sequence.
